After careful consideration, the DHO found you committed the prohibited act of Code 196, Use of the Mail for an Illegal Purpose, based on the greater weight of the evidence as presented above. Specifically, section 11 of the incident report where staff documented you sent a letter marked legal mail to the United States Court House Northern District Illinois Federal Judge Charles Nogle. This envelope contained a invoice identifying terms and conditions to have been met within 14 calendar days. The invoice states: "Bill to respondent Charles R. Norgle; Pay to: Michael Raymond Villagran, Proponent. Total Number (of one troy ounce coins 99.9% pure silver payable) \$186,000; Payment Terms: Payment is demanded forthwith. In satisfaction of this invoice Proponent will accept delivery of physical coins to the total stated herein by any secure carrier authorized by the [Perth Mint] as payment. This invoice references UCC Doc# 2012127914, Nov 28, 2012. Inmates are not authorized to have UCC document in their possession. These documents are considered UCC document and are fraudulent. There is some evidence to support that you used the mail for an illegal purpose by attempting to extort a staff member by fraud, based upon the reporting officers documented report and invoice; all shows you committed the prohibited act.

Code 196:

90 Days Telephone Restriction

90 Days Commissary Restriction

90 Days Visits Restriction

90 Days Email Restriction

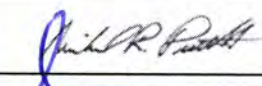

VII. REASON FOR SANCTION OR ACTION TAKEN

The action on the part of any inmate to use the mail to further criminal activity seriously jeopardizes the safe and secure running of the institution and affected the general public in this case. The Federal Bureau of Prisons is tasked with helping to ensure that the general public is protected from the inmates. Inmates are to use the mail only to maintain positive family and community ties and not to commit criminal activities. The sanctions imposed by the DHO were taken to express the gravity of the infraction and let the inmate know that he will be held responsible for his actions at all times. Although not directly related to the infraction, privileges were taken to deter the inmate from this behavior in the future.

VIII. APPEAL RIGHTS: The inmate has been advised of the findings, specific evidence relied on, action and reasons for the action. The inmate has been advised of his right to appeal this action within 20 calendar days under the Administrative Remedy Procedure. A copy of this report has been given to the inmate.

V. SPECIFIC EVIDENCE RELIED ON TO SUPPORT FINDINGS

The inmate waived his right to the DHO hearing on 10-25-2013. Two staff signatures were obtained verifying the inmate's refusal to attend the DHO hearing. It is noted that during the Unit Discipline Committee Hearing, you requested inmate CABANAS 45093-424 as a witness; however, you elected waive witness testimony prior to the DHO hearing. The

inmate did not submit documentary evidence, and did not request witnesses or staff representation.

** Declaration of Violation of All Rights **
As stated in the Incident Report on 7-20-2013, at approximately 09:05 A.M., I went to Inmate Villagran, Michael # 44297-424 cell located on range #1, cell Z01-026. I informed inmate Villagran that he had to provide a Urine Sample for an institution U/A. Inmate Villagran requested to see the paperwork for the U/A to write a statement about the Urine Sample. Inmate Villagran wrote, "without prejudice UCC 1-207, 1-103, 1-308, Unauthorized Consent" is the reasoning for not providing a Urine Sample. After the inmate signed the paperwork I reported the Incident to the Day Watch Operation Lieutenant.

The DHO considered your statement during the Investigation stating, "You do not have the proper authority for this. America is incorporated and bankrupt."

The DHO considered your statement during the UDC, "I never refused a urine sample. I just wrote without prejudice to reserve my rights. I was willing to provide a urine sample."

The DHO considered your statement as documented in Section III, B.

The DHO considered the Federal Bureau of Prisons Chain of Custody Form, Specimen ID NO. BOP0001973487, with your name and number on it. You wrote in the inmate signature block "Without prejudice UCC 1-207, 1-103, 1-308, Unauthorized Consent."

** Declaration of ALL RIGHTS RESERVED **
Without Prejudice UCC 1-207/1-308
After careful consideration, the DHO found you committed the prohibited act of Code 110, Refusing to provide a urine sample, based on the greater weight of the evidence as presented above. Specifically, section 11 of the incident report where staff documented you refused to provide a urine sample. The DHO considered your denial of the charge, however, greater weight was given to the statement of the reporting staff member, as the staff member was merely acting in routine performance of his duties and has nothing to gain from fabrication of the charge. You, on the other hand do, in order to avoid the consequences of your actions. Additionally, the inmate waived his appearance at the DHO hearing. The DHO drew an adverse inference against the inmate for his silence at the DHO hearings. The DHO believes if the inmate had a defense to the charge he would have attended the hearings, or at the very least, provided a written statement for consideration. There is some evidence to support that you refused to provide a urine sample, based upon the reporting officers documented report and supporting chain of custody form; all shows you committed the prohibited act.

VI. SANCTION OR ACTION TAKEN

Code 110:

41 Days DGCT

15 Days DS

90 Days Telephone Restriction

90 Days Email Restriction

90 Days Commissary Restriction

90 Days Visiting Restriction

I hereby Rebut, Refute, abrogate, void and challenge the presumption of guilt by demanding all parties making statements, proffers, reports, or other communication to produce a duly verified and sworn declaration signed unconditionally under penalty of perjury under ANY

law they choose via wet-ink signature attesting their fraudulent invalid claim. You have 72 Hours to reply substantively under Title 5 [556] (d) "Burden of Proof"; Tacit abnegation renders this entire claim as fraudulent and a condensed lie, ob initio via silent acquiescence. Ignorance is no excuse for not knowing the law. Govern yourselves accordingly.

11-20-2013

VII. REASON FOR SANCTION OR ACTION TAKEN

The action on the part of any inmate to refuse to provide a urine sample, or take part in drug screening, to staff when requested creates an inability of staff to implement the established drug screening policy, which provides an orderly operation where both inmates and staff can live and work in a safe environment. Refusing to provide a urine sample is considered the equivalent to receiving a dirty urine report and hampers staff's ability to detect and deter the illegal use of narcotics. Refusing to submit to a breathalyzer test is considered equivalent to using intoxicants and hampers staff's ability to detect the illegal use of intoxicants. This action on the part of the inmate is considered disruptive because of the history of use of intoxicants leading to acts of violence. An inmate's refusal to take the test clearly indicates the inmate fears detection of his use of

intoxicants. The sanctions imposed by the DHO were taken to express the seriousness of the infraction and let the inmate know that he will be held responsible for his actions at all times.
